

The Future of Ceilings: Smart, Stylish, and Seamless!

Have you ever imagined combining air ventilation with ceiling accessories?

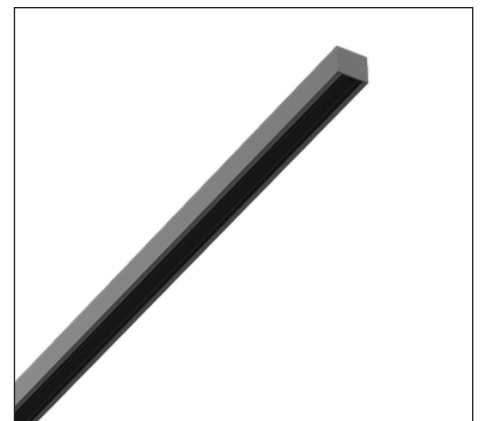

Using C2020 Brand you can!

By using the C2020 Dummy alone or with C2020 Corner Accessories to insert a magnetic track for attaching spotlights, speakers, or other ceiling accessories, and incorporating the C2020 Supply, Return, or Free Return, you can seamlessly combine air ventilation with various ceiling accessories.

Suggested Magnetic Track Style

Suggested Magnetic Track Dimensions
32mm(width) x 27mm(height)

***The Magnetic Track, Lighting Ceiling Accessories, and Smart Systems can be purchased by any Lighting or Electronics Supplier**
